## **JKG International School**

## ANNUAL SYLLABUS KG 2019-20

## **Dear Parent**

- Topics mentioned in the syllabus are done through different activities in the class and children are given a lot of exposure of content so that they develop their own understanding, thinking skills and are able to express their thoughts verbally to absorb the knowledge. Practice home assignments are given only whenever needed.
- The concepts for the whole session have been mentioned, but the order of the topics to be taken in class would not be same as mentioned in the syllabus as it depends on planning and integration of the topics.
- Completion of syllabus is subject to the time students would take to learn the concepts.
