

JKG International School, Indirapuram
Holiday Assignment
Session: 2019-20
Class: XII

Dear Parent,

Korean Culture Centre of Embassy of the Republic of Korea is organizing Essay writing and Painting Competition named "All India 7th Korea-India Friendship Competition 2019." The Essay writing competition will be there for the students of classes VI to XII.

Category	Topic	Word Limit
Grade VI to IX (Junior)	My Favorite South Korean Person	150-300 words
Grade X to XII (Senior)	South Korea-My favorite Destination	300-500 words

It should be done on A4 size ruled sheet.

The painting Competition will be there for the students of classes I to XII. The students can select any one topic of their own choice.

- 1- South Korea – as I see it (technology, Beauty, Tourism, Sports, Culture etc.)
- 2- Legendary Indian Princess Huh Hwang – ok to Korea. (Ayodhya, Queen Heo Memorial)
- 3- Korea and India's Independence movement (March Ist Movement, 15th August – Liberation day)

Entry Specifications

- 1- The painting must be original & work done on paper.
- 2- Paper can be of any kind.
- 3- Any kind of coloring can be used including crayons, water colors, acrylic colors, oil colors, charcoal, paints, oil paints etc.

Junior Group (Grade I to VII)	A4 Size
Senior Group (Grade VIII to XII)	A3 Size

NO ENTRY FEE

Note:

- **There is No Participation Fee of any Kind.**
- **Free Trip to South Korea for Top 3 winners of each competition.**
- **Cash Prizes of ₹ 1, 19,000 (Essay comp.)**
- **Cash Prizes of ₹ 75,000 (Painting comp.)**
- **Consider it as a part of Holidays Home Work.**

Subjects	Chapters/ Units
English	<ul style="list-style-type: none"> • Write a letter to the Editor showing your deep concern on 'Child Labour' (150 words) • Narrate your experience 'When I overcame my fear' based on L- The deep water(150 words) • Make a poster on A4 sheet on global warming (50 words) • Prepare classified advertisements on the topics- <ul style="list-style-type: none"> i) Situation Vacant ii) Property for Sale iii) Travel and Tour iv) Furniture for Sale v) To Let • Write a debate (either in favor of or against the motion) 'Plastic is an abuse'(150 words)
Mathematics	Do given assignment & Project.
Chemistry	Prepare investigatory Project for Board Practical
Biology	Prepare investigatory project file as per CBSE guidelines for final Submission in Board Examination
Economics	Prepare a project file as per CBSE Guidelines for final submission in board Examination
B. St.	Prepare a project file as per CBSE Guidelines for final submission in board Examination
Accountancy	Prepare comprehensive Project file as per CBSE Guidelines for final submission in board Examination (Project I)
Political Science	Do the given assignment & project for CBSE Final Examination
Physics	Prepare investigatory project, model & Activity file.
Informatics Practice	Prepare Practical File as per CBSE Guidelines
C. Art	Practical work- EDU Posters-5, Object Drawing-5, Daily Life Scenes-5, with any color medium
History	Project Work
Physical Education	Complete Practical File Write down the question answer of Unit I to V in Notebook.
Hindi	प्रोजेक्ट फाइल बनाइए।

Note: Prepare for UT-I

Holiday Assignment Political Science

1. Explain any six factors that help in making Soviet Union as a superpower after the Second World War.
2. What were the reasons of emergence of Cold war?
3. Write a short note on Belgrade summit.
4. "The role played by non aligned countries included in reducing cold war conflicts and averting grave crisis." Comment.
5. Clarify any three reasons responsible for the disintegration of Soviet Union.
6. When and why did India signed 20 years treaty of friendship and peace with USSR.
7. If the Soviet Union had not disintegrated and the world had remained bipolar how were the situation had affected the world politics.
8. Why were people dissatisfied with Soviet system.
9. How did the US respond to 9/11 attack?
10. What is operation infinite reach as per the President Clinton.
11. Why was ASEAN established?
12. When did China enter in world trade organizations?
13. What was the reason behind bitter relation of Indo China?
14. Differentiate between the economic policies adopted by China before 1978 and after 1978.
15. What makes the European Union regional organizations?
16. Explain any two issues between India and Bangladesh.
17. Who play a major role in ethnic conflicts in Sri Lanka?
18. Which countries are included in South Asia how can peace and cooperation be boosted in this reason ?
19. Give details of war of 1962 between India and China
20. Mention the areas of cooperation and disagreement between India and Bangladesh.
21. Critically evaluate the difficulties involved in implementing the suggested reforms to reconstruct the UN.
22. What was Bombay Plan?
23. Explain any two aspects of India's foreign policy which you support and suggest any two aspects, which you would like to be changed?
24. Explain any two aspects of India's Nuclear Policy.
25. Why are India's relations with Russia considered an important aspect of India's foreign policy?

Project:-

Choose any one project for CBSE examination. Make a project file.

1. List the immediate needs of United Nation. Why do they require & why they don't.
2. List the work of the current government completed by them before they complete their tenure.
3. Make comparative study of five governments. How many promises they have made & how many are fulfilled.
4. List out the twenty changes which you have seen due to the globalization. How globalizations have affected the life?
5. Make comparative study of International organization. What is the role of India in the organization?

Holiday Assignment Physics

- Q1. Do any one investigatory project from the following list of the investigatory project suggested by CBSE.
1. To study various factors on which the internal resistance/EMF of a cell depends.
 2. To find the refractive indices of (a) water (b) oil (transparent) using a plane mirror, an equiconvex lens (made from a glass of known refractive index) and adjustable object needle.
 3. To design an appropriate logic gate combination for a given truth table.
 4. To investigate the relation between the ratio of
 - (i) output and input voltage and
 - (ii) number of turns in the secondary coil and primary coil of a self-designed transformer.
 5. To investigate the dependence of the angle of deviation on the angle of incidence using a hollow prism filled one by one, with different transparent fluids.
 6. To study the factors on which the self-inductance of a coil depends when put in series with a resistor/(bulb) in a circuit fed up by an A.C. source of adjustable frequency.
- Q2. Prepare one working model of your own choice based on any one topic from entire syllabus of class XII (Physics).
- Q3. Write the following activities in your activity file:
1. To draw the diagram of a given open circuit comprising at least a battery, resistor/rheostat, key, ammeter and voltmeter. Mark the components that are not connected in proper order and correct the circuit and also the circuit diagram.
 2. To assemble a household circuit comprising three bulbs, three(on/off) switches, a fuse and a power source.
 3. To identify a diode, an LED, a resistor and a capacitor from a mixed collection of such items.
 4. To observe polarization of light using two Polaroid's.
 5. To observe diffraction of light due to thin slit.

Holiday Assignment Physical Education

Practical file-

Q1- Write down complete information about any one game as your choice.

- | | | | |
|---------------|-------------|---------------|-------------|
| 1. Volleyball | 2. Football | 3. Basketball | 4. Handball |
| 5. Kho Kho | 6. Kabaddi | 7. Cricket | 8. Hockey |

Contents-

1. History
2. Ground measurement
3. Rule and regulation
4. Fundamental skills

5. Terminology
6. Important tournaments
7. Famous personality
8. Awarded players

Q2- AAHPER Physical fitness test (Mention in your book)

Q3- Any two senior citizen fitness test. (mention in your book)

Q4- Procedure and benefits of any two Asanas for each life style disease.(mention in your book)

Holiday Assignment History

Students are required to prepare a project by selecting any one from the following topics:-

1. The mysteries behind the mound of dead- Mohenjo-Daro
2. An In-depth study to understand spiritual Archaeology in the Sub-Continent.
3. Buddha's path to Enlightenment.
4. Insight and reflection of Bernier's notions of the Mughal Empire.
5. An exploratory study to know the women who created History.
6. "Mahatma Gandhi"- A legendary soul.
7. To reconstruct the history of Vijaynagara through the Archaeology of Hampi.
8. The emerald city of Colonial Era-Bombay.
9. Vision of unity behind the first war of independence.
10. Divine Apostle of Guru Nanak Dev.
11. Help, Humanity and Scarifies during partition.
12. Glimpses inside Mughal Imperials Household.
13. The process behind the framing of the Indian constitution.
14. The 'BrahmNirupam' of Kabir – A journey to Ultimate Reality.

Holiday Assignment Mathematics

- **Do these sums in your notebook neatly.**

Q1. Find the value of x:

a) $\tan^{-1} \frac{x-1}{x-2} + \tan^{-1} \frac{x+1}{x+2} = \frac{\pi}{4}$

b) $\sin(\sin^{-1} \frac{1}{2} + \cos^{-1} x) = 1$

Q2. Prove that : $\cot^{-1} 7 + \cot^{-1} 8 + \cot^{-1} 18 = \cot^{-1} 3$

Q3. Prove that : $2\tan^{-1} \frac{1}{3} + \tan^{-1} \frac{1}{7} = \frac{\pi}{4}$

Q4. Find x: $[x \ 4 \ 1] \begin{bmatrix} 2 & 1 & 0 \\ 1 & 0 & 2 \\ 0 & 2 & 4 \end{bmatrix} \begin{bmatrix} x \\ 3 \\ 1 \end{bmatrix} = 0$

Q5. Express the given matrix as the sum of symmetric and skew symmetric matrices

$$\begin{bmatrix} 1 & 3 & 5 \\ -6 & 8 & 3 \\ -4 & 6 & 3 \end{bmatrix}$$

Q6. Prove that:

$$a) \begin{bmatrix} b+c & q+r & y+z \\ c+a & r+p & z+x \\ a+b & p+q & x+y \end{bmatrix} = \begin{bmatrix} a & p & x \\ b & q & y \\ c & r & z \end{bmatrix} b) \begin{vmatrix} a-b-c & 2a & 2a \\ 2b & b-c-a & 2b \\ 2c & 2c & c-a-b \end{vmatrix} = (a+b+c)^3$$

Q7. Find $\frac{dy}{dx}$:

a) $ax^2 + 2hxy + by^2 + 2gx + 2fy + c = 0$

b) $\sin xy + \frac{x}{y} = x^2 - y$

Q8. If $y = \sqrt{a^2 - x^2}$ then prove that $y \frac{dy}{dx} + x = 0$

Q9. If $xy = 4$ then prove that $x(\frac{dy}{dx} + y^2) = 3y$

Q10. Differentiate w.r.t. x: $\tan^{-1} \frac{\cos x + \sin x}{\cos x - \sin x}$

Q11. If $x = a \sin \theta$ $y = b \cos \theta$ find $\frac{d^2y}{dx^2}$

Q12. If $x = a(\theta - \sin \theta)$; $y = a(\theta + \cos \theta)$ find $\frac{d^2y}{dx^2}$ at $\theta = \frac{\pi}{2}$

Q13. A particle moves along the curve $6y = x^3 + 2$. Find the point on the curve at which the y-coordinate is changing 8 times as fast as the x-coordinate.

Q14. Using differentials, find the approximate value of each of the following upto 3 places of decimal.

a) $(0.999)^{1/10}$

b) $(3.968)^{3/2}$

- Q15. Find the approximate value of $f(3.001)$, where $f(x)=x^3-7x^2+15$.
- Q16. Find the intervals in which the function $f(x)=(x+1)^3(x-3)^3$ is strictly Increasing or strictly decreasing.
- Q17. Prove that the curves $y^2=4x$ and $x^2+y^2-6x+1=0$ touch each other at the Point $(1,2)$.
- Q18. Prove that the curves $x=y^2$ and $xy=k$ cut at right angles if $8k^2=1$.
- Q19. Show that the height of a closed right circular cylinder of given surface and maximum volume, is equal to the diameter of its base.
- Q20. Prove that the radius of the right circular cylinder of greatest curved surface area which can be inscribed in a given cone is half of that of the cone.
- Q21. Show that of all the rectangles inscribed in a given fixed circle, the square has the maximum area.
- Q22. A window has the shape of an arch surmounted by an equilateral triangle. If the perimeter of the window is 12m, find the dimension of the arch that will produce the largest area of the window.
- Q23. Find the volume of the largest cylinder that can be inscribed in a sphere of radius r .
- Q24. A tank with rectangular base and rectangular sides, open at the top, is to be constructed so that its depth is $2m$ and volume is $8m^3$. If building of tank costs Rs.70 per sq. metre for the base and Rs.45 per sq. metre for sides, what is the cost of least expensive tank?
- Q25. The side of an equilateral triangle is increasing at the rate of 0.5cm/sec . Find the rate of increase of its perimeter.

Project Work (Do any one)

- **To minimize the cost of the food, meeting the dietary requirement of the staple food of the adolescent students of your school.**
- **To find the coordinates of the different points identified in your class room using the concept of three dimensional geometry and also find the distances between the identified points.**

Holiday Assignment Biology

Investigatory Project

Choose any one topic and make an investigatory project file.

- Drug Addiction
- Possible effects of maternal behavior on foetal development
- Pollination
- Study on gene therapy
- Microbes in human welfare
- DNA fingerprinting
- Human genome project
- Sickle cell anemia
- Human cloning : another you ?
- Study of effect of antibiotics on microorganisms
- Study of rates of pollen germination of various species in sugar and boron solution.
- Study of drug resistance in bacteria using antibiotics
- Effect of mobile radiation from mobile towers on people and environment
- Effect of video games in adolescence
- Ebola virus
- AIDS : CASE STUDY
- Cancer and its treatment
- Stem cells

Holiday Assignment Business Studies

Choose any one Project for CBSE examination 2019-20. Make a project file, that should be hand written, no cutting, no overwriting, not less than 30 pages including related pictures.

Content of the Project should be handwritten

The project should be handwritten and not typed and printed.

Neat and legible Handwriting

Handwriting should be legible and no scribbling or cutting should be there. Make a very neat presentation of your project.

Project To Be Presented In Folder

The project should be presented in a neat folder or Spiral Bound.

File Format

Complete project should be in a file format.

Paper

The entire report must be submitted on A4 size paper. Use interleaf coloured sheet (ruled on one side and blank on other side)

Write On One Side of The Page

The project should be written on one side of each page only.

Margins

You should leave some margin on the Top, bottom, Left and right of the page.

Page Numbers

Every page must be numbered.

Tables And Figures

Tables and Figures should be centered and labelled with identification number and title. Table and figure should clearly show what is intended of them. In case of graphical representation, axis must be clearly labeled.

Sequence of Project Report

- a. Cover page should contain the Project title, student information, school and year
- b. Acknowledgement
- c. Certificate
- d. List of contents
- e. Introduction, Topic with suitable heading
- f. Planning and activities done during the project, if any
- g. Observations and findings while conducting the project
- h. Newspaper clippings (If Any)
- i. Conclusions (summarized suggestions or findings, future scope of study)
- j. Bibliography
- k. Teachers Observation and Remarks.

Projects

Project One: Elements of Business Environment

The students should select one of the following element with teacher's help.

Changes witnessed over the last few years on mode of packaging and its economic impact. The teacher may guide the students to identify the following changes:

The changes in transportation of fruits and vegetables such as cardboard crates being used in place of wooden crates, etc. Reasons for above changes.

Milk being supplied in glass bottles, later in plastic bags and now in tetra-pack and through vending machines.

Plastic furniture [doors and stools] gaining preference over wooden furniture.

The origin of cardboard and the various stages of changes and growth.
Brown paper bags packing to recycled paper bags to plastic bags and cloth bags.
Re use of packaging [bottles, jars and tins] to attract customers for their products.
The concept of pyramid packaging for milk.

Cost being borne by the consumer/manufacturer.

Packaging used as means of advertisements.

The reasons behind changes in the following:

Coca – Cola and Fanta in the seventies to Thums up and Campa Cola in the eighties to Pepsi and Coke in nineties.

The teacher may guide the students to the times when India sold Coca Cola and Fanta which were being manufactured in India by the foreign companies.

The students may be asked to enquire about

Reasons of stopping the manufacturing of the above mentioned drinks in India
THEN.

The introduction of Thums up and Campa cola range.

Re entry of Coke and introduction of Pepsi in the Indian market.

Factors responsible for the change.

Other linkages with the above.

Leading brands and the company having the highest market share.

Different local brands venturing in the Indian market.

The rating of the above brands in the market.

The survival and reasons of failure in competition with the international brands.

Other observations made by the students

The teacher may develop the following on the above lines

Changing role of the women in the past 25 years relating to joint families, nuclear families, women as a bread earner of the family, changes in the requirement trend of mixers, washing machines, micro wave and standard of living.

The changes in the pattern of import and export of different Products.

The trend in the changing interest rates and their effect on savings.

A study on child labour laws, its implementation and consequences.

The state of 'anti plastic campaign,' the law, its effects and implementation.

The laws of mining /setting up of industries, rules and regulations, licences required for running that business.

Social factors affecting acceptance and rejection of an identified product. (Dish washer, Atta maker, etc)

What has the effect of change in environment on the types of goods and services?

The students can take examples like:

Washing machines, micro waves, mixers and grinder.

Need for creche, day care centre for young and old.

Ready to eat food, eating food outside, and tiffin centres.

Change in the man-machine ratio with technological advances resulting in change of cost structure.

Effect of changes in technological environment on the behaviour of employee

Project Two: Principles of Management

The students are required to visit any one of the following:

A departmental store.

An Industrial unit.

A fast food outlet.

Any other organisation approved by the teacher.

They are required to observe the application of the general Principles of management advocated by Fayol.

Fayol's principles

Division of work.

Unity of command.
Unity of direction.
Scalar chain
Espirit de corps
Fair remuneration to all.
Order.
Equity.
Discipline
Subordination of individual interest to general interest.
Initiative.
Centralisation and decentralisation.
Stability of tenure.

OR

They may enquire into the application of scientific management techniques by F.W. Taylor in the unit visited.
Scientific techniques of management.
Functional foremanship.
Standardisation and simplification of work.
Method study.
Motion Study.
Time Study.
Fatigue Study
Differential piece rate plan.

Project Three: Stock Exchange

The purpose of this project is to teach school students the values of investing and utilising the stock market. This project also teaches important lessons about the economy, mathematics and financial responsibility.

The basis of this project is to learn about the stock market while investing a specified amount of fake money in certain stocks. Students then study the results and buy and sell as they see fit.

This project will also guide the students and provide them with the supplies necessary to successfully monitor stock market trends and will teach students how to calculate profit and loss on stock.

The project work will enable the students to:

understand the topics like sources of business finance and capital market
understand the concepts used in stock exchange
inculcate the habit of watching business channels, reading business journals/newspapers and seeking information from their elders.

The students are expected to:

Develop a brief report on History of Stock Exchanges in India. (your country)

Prepare a list of at least 25 companies listed on a Stock Exchange.

To make an imaginary portfolio totalling a sum of Rs. 50,000 equally in any of the 5 companies of their choice listed above over a period of twenty working days.

The students may be required to report the prices of the stocks on daily basis and present it diagrammatically on the graph paper.

They will understand the weekly holidays and the holidays under the Negotiable Instruments Act.

They will also come across with terms like closing prices, opening prices, etc.

During this period of recording students are supposed to distinctively record the daily and starting and closing prices of the week other days under the negotiable instrument act so that they acquire knowledge about closing and opening prices.

The students may conclude by identifying the causes in the fluctuations of prices. Normally it would be related to the front page news of the a business journal, for example,

Change of seasons.

Festivals.

Spread of epidemic.

Strikes and accidents

Natural and human disasters.

Political environment.

Lack of faith in the government policies.

Impact of changes in government policies for specific industry.

International events.

Contract and treaties at the international scene.

Relations with the neighbouring countries.

Crisis in developed countries, etc.

The students are expected to find the value of their investments and accordingly rearrange their portfolio. The project work should cover the following aspects;

Graphical presentation of the share prices of different companies on different dates.

Change in market value of shares due to change of seasons, festivals, natural and human disasters.

Change in market value of shares due to change in political environment/ policies of various countries/crisis in developed countries or any other reasons

Identify the top ten companies out of the 25 selected on the basis of their market value of shares.

It does not matter if they have made profits or losses.

Project Four: Marketing

Adhesives

Air conditioners

Baby diapers

Bathing Soap

Bathroom cleaner

Bike

Blanket

Body Spray

Bread

Breakfast cereal

Butter

Camera

Car

Cheese spreads

Chocolate

Coffee

Cosmetology product

Crayons

Crockery

Cutlery

Cycle

DTH

Eraser

e-wash

Fairness cream

Fans

Fruit candy

Furniture
Hair Dye
Hair Oil
Infant dress
Inverter
Jams
Jeans
Jewellery
Kurti
Ladies bag
Ladies footwear
Learning Toys
Lipstick
Microwave oven
Mixers
Mobile
Moisturizer
Music player
Nail polish
Newspaper
Noodles
Pen
Pen drive
Pencil
Pickles
Razor
Ready Soups
Refrigerator
RO system
Roasted snacks
Salt
Sarees
Sauces/ Ketchup
Shampoo
Shaving cream
Shoe polish
Shoes
Squashes
Suitcase/ airbag
Sunglasses
Tea
Tiffin Wallah
Toothpaste
Wallet
Washing detergent
Washing machine
Washing powder
Water bottle
Water storage tank
Wipes

Any more as suggested by the teacher.

Now the students are required to make a project on the identified product/service keeping in mind the following:

Why have they selected this product/service?
Find out '5' competitive brands that exist in the market.
What permission and licenses would be required to make the product?
What are your competitors Unique Selling Proposition.[U.S.P.]?
Does your product have any range give details?
What is the name of your product?
Enlist its features.
Draw the 'Label' of your product.
Draw a logo for your product.
Draft a tag line.
What is the selling price of your competitor's product?
Selling price to consumer
Selling price to retailer
Selling price to wholesaler
What is the profit margin in percentage to the
Manufacturer.
Wholesaler.
Retailer.
How will your product be packaged?
Which channel of distribution are you going to use? Give reasons for selection?
Decisions related to warehousing, state reasons.
What is going to be your selling price?
To consumer
To retailer
To wholesaler
List 5 ways of promoting your product.
Any schemes for
The wholesaler
The retailer
The consumer
What is going to be your 'U.S.P?
What means of transport you will use and why?
Draft a social message for your label.
What cost effective techniques will you follow for your product.
What cost effective techniques will you follow for your promotion plan.
At this stage the students will realise the importance of the concept of marketing mix and the necessary decision regarding the four P's of marketing.
Product
Place
Price
Promotion
On the basis of the work done by the students the project report should include the following:
Type of product /service identified and the (consumer/industries) process involve there in.
Brand name and the product.
Range of the product.
Identification mark or logo.
Tagline.
Labeling and packaging.
Price of the product and basis of price fixation.
Selected channels of distribution and reasons thereof.

Decisions related to transportation and warehousing. State reasons.
Promotional techniques used and starting reasons for deciding the particular technique.
Grading and standardization.

Holiday Assignment Chemistry

Prepare investigatory project on any one of the following topics as per your roll no.

1. To check acid content in various samples of vinegar. (Roll no. 1,16,31)
2. Comparative study of commercial antacids. (Roll no. 2,17,32)
3. To determine contents in different cold drinks. (Roll no. 3,18,33)
4. To determine the quantity of casein in milk. (Roll no. 4,19,34)
5. To analysis the constituent ions present in different tooth paste. (Roll no. 5,20,35)
6. To determine adulterants in different food stuff. (Roll no. 6,21,36)
7. To study effect of metal coupling on rusting of iron. (Roll no. 7,22,37)
8. To study setting of cement. (Roll no. 8,23,38)
9. To study the rate of diffusion of different solids in liquid. (Roll no. 9,24,39)
10. To study the foaming capacity of different soaps. (Roll no.10,25,40)
11. To determine the caffeine in tea samples. (Roll no. 11,26)
12. To study the presence of insecticides and pesticides in fruits and vegetables. (Roll no. 12, 27)
13. To prepare soybean milk. (Roll no.13,28)
14. To compare rate of fermentation . (Roll no. 14,29)
15. To measure the amount of acetic acid in different companies vinegar. (Roll no.15,30)

Project should have the following points:

- a) Cover page with school logo.
- b) Certificate.
- c) Acknowledgment.
- d) Introduction.
- e) Theory
- f) Procedure.
- g) Observation table and calculation.
- h) Bibilography.

Holiday Assignment Accountancy

Make a Comprehensive Project issued by CBSE. This project will involve the initial stage of accounting to the preparation and analysis of financial statements. The data provided or the project statement will be as close to the real life situations as possible. The project should cover all important aspects like investment, financing, operating, adjustments to final accounts, etc. in a condensed form. This problem requires a meaningful conclusion for taking decisions for the purpose of investment and expansion.

1. The project should be hand written .
2. Not less than 25 pages.
3. It should be error free and avoid overwriting.
4. Paste the pictures wherever necessary.

Holiday Assignment Economics

Choose any one Project for CBSE examination 2019-20. Make a project file, that should be hand written, no cutting , no overwriting, not less than 30 pages including related pictures

Suggestive List of Projects:

- Micro and Small Scale Industries
- Food Supply Channel in India
- Contemporary Employment situation in India
- Disinvestment policy of the government
- Goods and Services Tax Act and its Impact on GDP
- Health Expenditure (of any state)
- Human Development Index
- Inclusive Growth Strategy
- Self-help group
- Trends in Credit availability in India
- Monetary policy committee and its functions
- Role of RBI in Control of Credit
- Government Budget & its Components
- Trends in budgetary condition of India
- Exchange Rate determination – Methods and Techniques
- Currency War – reasons and repercussions
- Livestock – Backbone of Rural India
- Alternate fuel – types and importance
- Sarva Siksha Abhiyan – Cost Ratio Benefits
- Golden Quadrilateral- Cost ratio benefit
- Minimum Support Prices
- Relation between Stock Price Index and Economic Health of Nation
- Waste Management in India – Need of the hour
- Minimum Wage Rate – approach and Application
- Digital India- Step towards the future
- Rain Water Harvesting – a solution to water crises
- Vertical Farming – an alternate way
- Silk Route- Revival of the past
- Make in India – The way ahead
- Bumper Production- Boon or Bane for the farmer
- Rise of Concrete Jungle- Trend Analysis
- Organic Farming – Back to the Nature
- Any other newspaper article and its evaluation on basis of economic principles
- Any other topic

Holiday Assignment Hindi

प्रोजेक्ट कार्य—

हरिवंश राय बच्चन के व्यक्तित्व एवं कृतित्व का सचित्र वर्णन। (जीवन परिचय, शिक्षा, रचनाएँ व किसी एक रचना का विस्तार से सचित्र वर्णन करें)
