SUMMER BREAK ACTIVITIES

Class KG (2019 – 2020)

Warm Greetings!

Exciting time is here again! It's time for Summer Vacation and fun filled activities'. Learners are always filled with great potentials which needs to be acknowledged, tapped and channelized in diverse ways. They should be encouraged to enhance their physical and intellectual strength by using learner-friendly means.

Summer vacation is the best and fruitful time for learning and nurturing various skills and concepts. As parents it is the most important and special time for you to get more involved with your loved ones.

Summer bucket list is for your whole family to explore experience and enjoy in this summer vacation! Following are the list of tasks to be done by your ward.

- Take your ward for regular morning and evening walk.
- Encourage your ward to water the plants at home daily.
