SUMMER BREAK ACTIVITIES

Class Nursery (2019 – 2020)

Warm Greetings!

Exciting time is here again! It's time for Summer Vacation and fun filled activities'. Learners are always filled with great potentials which needs to be acknowledged, tapped and channelized in diverse ways. They should be encouraged to enhance their physical and intellectual strength by using learner-friendly

means. Summer vacation is the best and fruitful time for learning and nurturing various skills and concepts. As parents it is the most important and special time for you to get more involved with your loved ones.

Hey friends! Let us enjoy and experience the following tasks together.

Summer bucket list is for your whole family to explore experience and enjoy in this summer vacation! Inculcate these valuable skills in your child:

- Conversing politely with visitors, relations and neighbours.
