**JKG INTERNATIONAL SCHOOL INDIRAPURAM
CLASS- LKG**

**SUMMER VACATION HOME WORK
Session 2024-25**

Integrated Project

Aligned with NEP guidelines, we're implementing integrated project-based learning wherein students will prepare project for all the subjects united by a common theme. This approach fosters a deeper grasp of subject matter and illuminates connections between diverse areas of study.

Dear Parents and Students,
Greetings!!

Kindly follow the given instructions:

General Instructions-

- Whenever you go out for any task or work or on a trip/vacation, observe different modes of transports you use to travel and segregate them on the basis whether they take you via road, air or water.
- Draw any one transport you observed and colour it. Also mention type of transport; Land, Water and Air.
- **Your Own Work-** Do most of the project by yourself. Parents can help explain things, but let your ideas and handwriting be the star.
- Parents are requested to download Padlet link to upload photographs and videos that is given at the end of the homework.
- Click the pictures while doing the fun activities given in homework and share with the class teacher through padlet link.
- Date for submission of HHW – 1st July '24.

*** Revise Syllabus of all the subjects for Assessment-1**

Here are some tips to help establish a healthy daily routine for our learners.

Make a schedule: Since school is closed, it is important to reinforce what is done at school, so make a daily routine for kids and ensure they spend some time with books.

Involve them in sorting out clothing items or books shelf.

Encourage your child to speak the golden words like: sorry, please, thank you, excuse me.

Encourage story telling - Show and Tell. Tell the kids to speak few lines on the toys they have.

Pretend Play: It encourages creativity. Give them some toys like kitchen set, dolls, teddies, cars and encourage them to speak in English while playing roles with them.

Play with toy collection at home -for eg.- building blocks, play-sets, and puzzles are just a few of the good toys that can keep kids engaged.

Collect all the plastic waste at your home on daily basis and bring it to school. Click photographs of your collection and share through padlet link. Consider the environmental benefits of reducing plastic consumption and share your thoughts with your peer mates when you return to school.

“I CARE FOR NATURE”

Put a bowl of water for birds and animals.

Water the plants daily.

Always throw your trash in dustbin.

Activities

Activity #1

"Be a Little Chef"

Sandwich Making – Learners will have fun making their own sandwiches and enjoy eating them too.

Key ingredients:

- Bread slices
- Two tablespoons of butter
- Cheese slice or shredded cheese
- Salt and black pepper to taste
- Onion, tomato, carrot and cucumber cut into small pieces
- Several leaves of lettuce (Optional)
- Tomato ketchup

Learners can show their creativity. You can make the sandwich in your own way and enjoy it with your family members.

- ❖ Give a new look to yourself by wearing chef cap along with apron.

Activity #2

Enjoy it as you would, it's Milk Time

([World Milk Day](#) – 1st June)

Milkshake

Lets make our favorite milkshake and enjoy it with our loved ones.

Ingredients: -

- Milk
- Sugar
- Fruits (of your choice)
- Nuts and cherry (for topping)
- Ice cream scoop
- Chocolate/ pineapple/ strawberry syrup

Note- You can take ingredients as per your choice.

Activity #3

Shape House

Using different cutouts of shapes, learners will make a house on A-4 size sheet.

Activity #4

Rhyme Recitation

Learners will recite their favorite rhyme using props or objects. Record and share it on padlet link.

[Here we go round the mulberry bush.., My house, Summer time]

Activity #5

Movie Time

Watch any one of the movies mentioned below with your family. After that, draw the main character of the movie on a A-4 size sheet.

Movies – Cars OP Rondries or Tara rum pum

Activity # 6

Hindi Recitation

Learners will learn one hindi mantra/ bhajan from their parents or grandparents.

Make a video while reciting and share it on padlet link.

Activity #7

3-D scene – Summer Season

Learners will use different material available at home and create a 3D scene on summer season with the help of their mothers.

Activity #8

Happy Father's Day (16th June)

“A son's first hero and daughter's first love”

Health is wealth. So on this father's day lets enjoy our summers with healthy fruits.

As our little munchkins are aware with different land transport, so lets show some creativity by giving a new look to fruits as vehicles and presenting it to your fathers' and make their day special. Click the pics with your father and share it on padlet.

Activity # 9

International Yoga Day (21st June)

“Yoga has the power to develop healthy lifestyle habits along with keeping you fit and focused.”

Let’s boost the mental and physical health and wellness of our children. Our little champs will be yoga instructor for their parents and guide them in performing different asanas as ABC poses.

A is for aeroplane pose

B is for boat/ butterfly pose

C is for cat pose

D is for downward dog

Activity # 10

Board Game

Create a board game of your choice using numbers from 1-70.

For example: A version of Snakes and ladders.

Activity #11

Cvc words – Puzzle

Learners will make puzzle game of cvc words using ice cream sticks.

“at family words” (Roll no. 1 to 9)

“ip family words” (Roll no. 10 to 18)

“it family words” (Roll no. 19 to 26)

Notebook Work

Students are asked to practice the below given assignments in their notebooks.

English

Write letters **s, a, t, i, p, n, c** in notebook.

Hindi

Write व्यंजन **न, ल, ज, ट, ब, प** और **र** in notebook.

Write दो अक्षर वाले शब्द in notebook. { **नल, जल, टब, बल, नट, जप, तन, नर, रब, पर** }

Math

Write counting **1 – 70** in notebook.
